The youth was poor, and starved  
for learning's sake.

He'd rather spend his gold on  
books than food,

Or on gay clothes and fun, as  
others would.

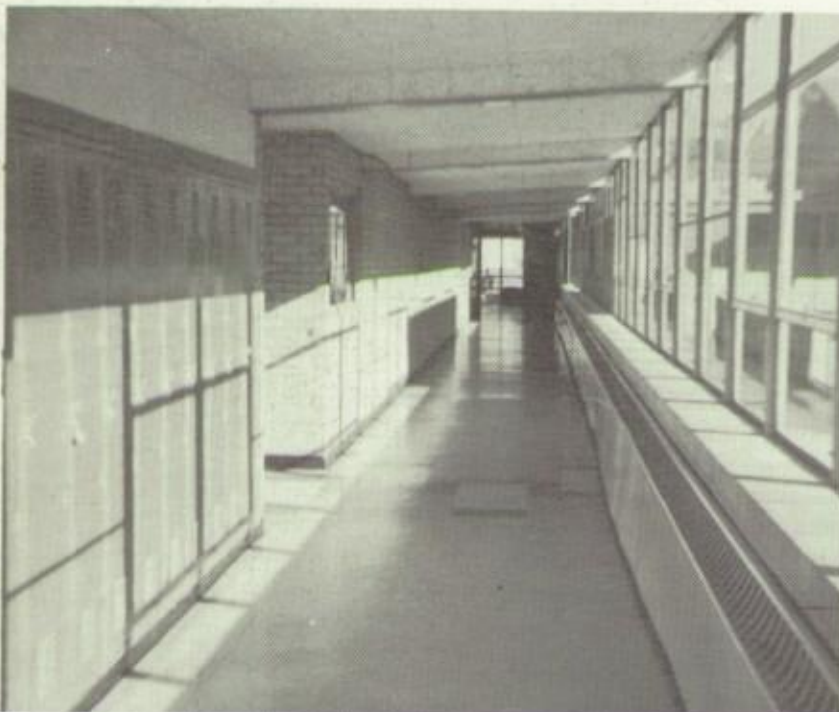

Of ethics and philosophy he  
read,

Kept Aristotle right beside his  
bed.

He seldom spoke; but what he  
said was clear,

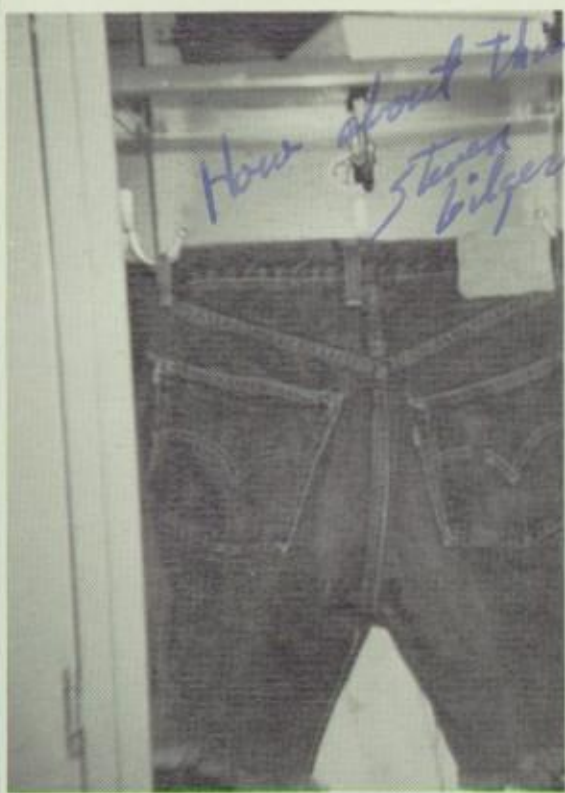

And full of sense, so that you  
wished to hear:

Of high ideals and virtue was  
his speech;

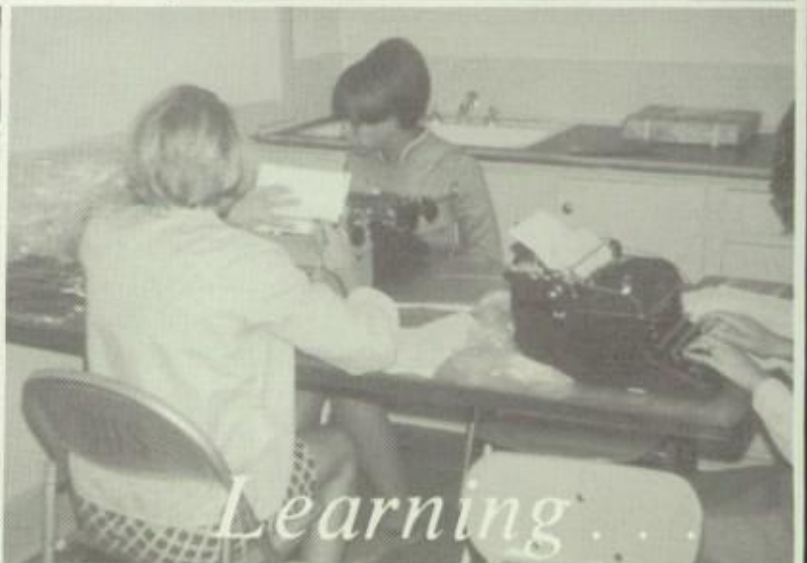

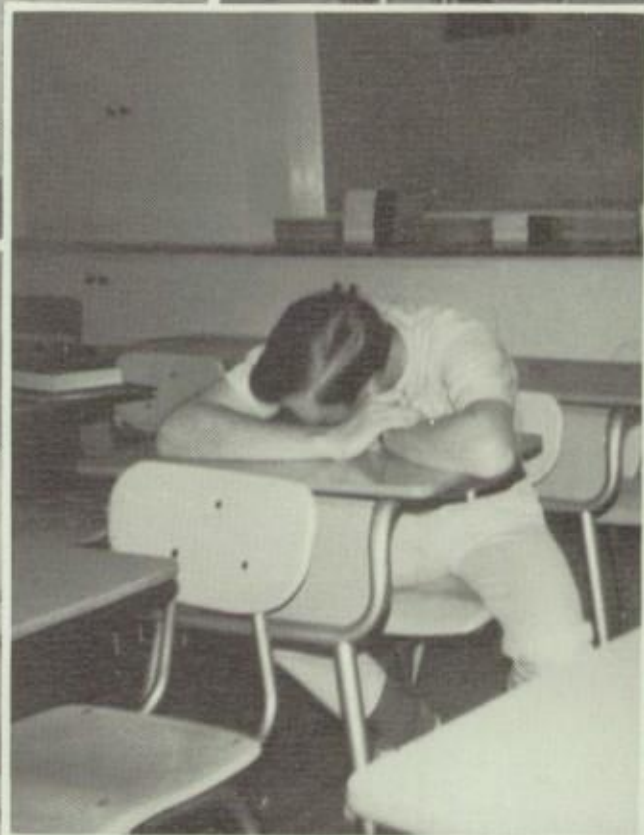

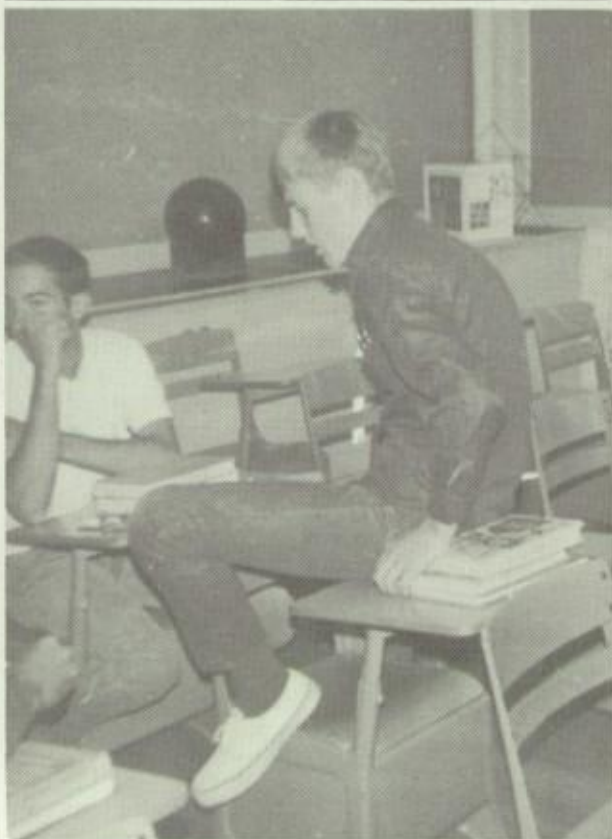

*And Gladly Would He Learn,  
And Gladly Teach . . .*

You were proud of your school. As a student you were expected to conduct yourself properly. You learned necessary and useful skills for the future. Throughout your life you will be looking toward the future, but you will also find yourself thinking of the fun and pleasant experiences you had while a student at Delta High School.

The many things you did sometimes seemed to be overwhelming.

As you look back you can consider your high school experience and what you accomplished or did not accomplish, to be a major factor in determining your position at the present time.

May your future be a continuous climbing of stairs.

# National Honor Society

"I pledge myself to uphold the high purpose of this society to which I have been elected, striving in every way by work and by deed to make its ideals the ideals of my school and my life."

Officers: President, Terry Henrie; Vice President, Tim Gallegos; Secretary-Treasurer, Darnell Zavadi; Parliamentarian, Buckley Bangert; Sponsor, Miss Margaret Good.

There are four cardinal virtues which determine your admission to the National Honor Society. The first cardinal virtue is SCHOLARSHIP. The upper twenty-five percent of the class is listed. The second cardinal virtue is CHARACTER. Those in the upper twenty-five percent of the class that best meet their obligation to others and themselves by demonstrating an honest spirit in the classroom and by actively helping rid the school of bad influences are chosen. The third cardinal virtue is LEADERSHIP. From the remaining group those who have most contributed ideas and demonstrated initiative in all activities are chosen. The fourth cardinal virtue is SERVICE. Finally those who have most willingly and cheerfully rendered service to the other activities are chosen.

## FTA PLEDGE

The good teacher requires:

**PHYSICAL VITALITY.** I will try to keep my body well and strong.

**MENTAL VIGOR.** I will study daily to keep my mind active and alert.

**WHOLESOME PERSONALITY.** I will cultivate in myself good will, friendliness, poise, upright bearing, and careful speech.

**HELPFULNESS.** I will learn the art of helping others by doing helpful things daily in school and home.

**KNOWLEDGE.** I will fill my mind with worthy thoughts by observing all that is beautiful in the world around me and by reading the best books, and by associating with the best companions.

**LEADERSHIP.** I will make my influence count on the side of right, avoiding habits that weaken and destroy.

These Things Will I Do Now That I May Be Worthy of the High Office of Teacher.

## FFA Creed

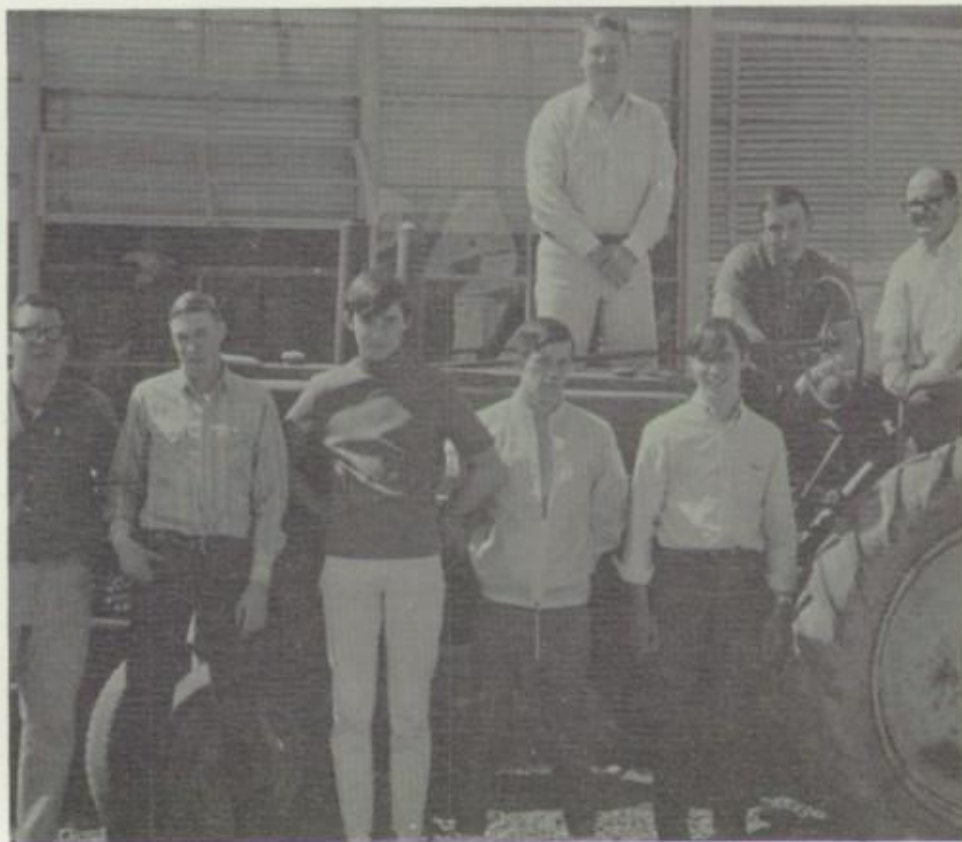

I believe in the future of farming, with a faith born not of word but of deeds-achievements won by the present and past generations of farmers; in the promise of better ways through better things, even as the better things we now enjoy have come up to us from the struggles of farmers.

I believe that to live and work on a good farm, is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for these associations which, even in hours of discouragement, I cannot deny.

I believe in leadership for ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and ability which I can secure, and in the ability of the organized farmers to serve our own and the public interest in marketing the product of our toil. I believe we can safe guard those rights against practices and policies that are unfair.

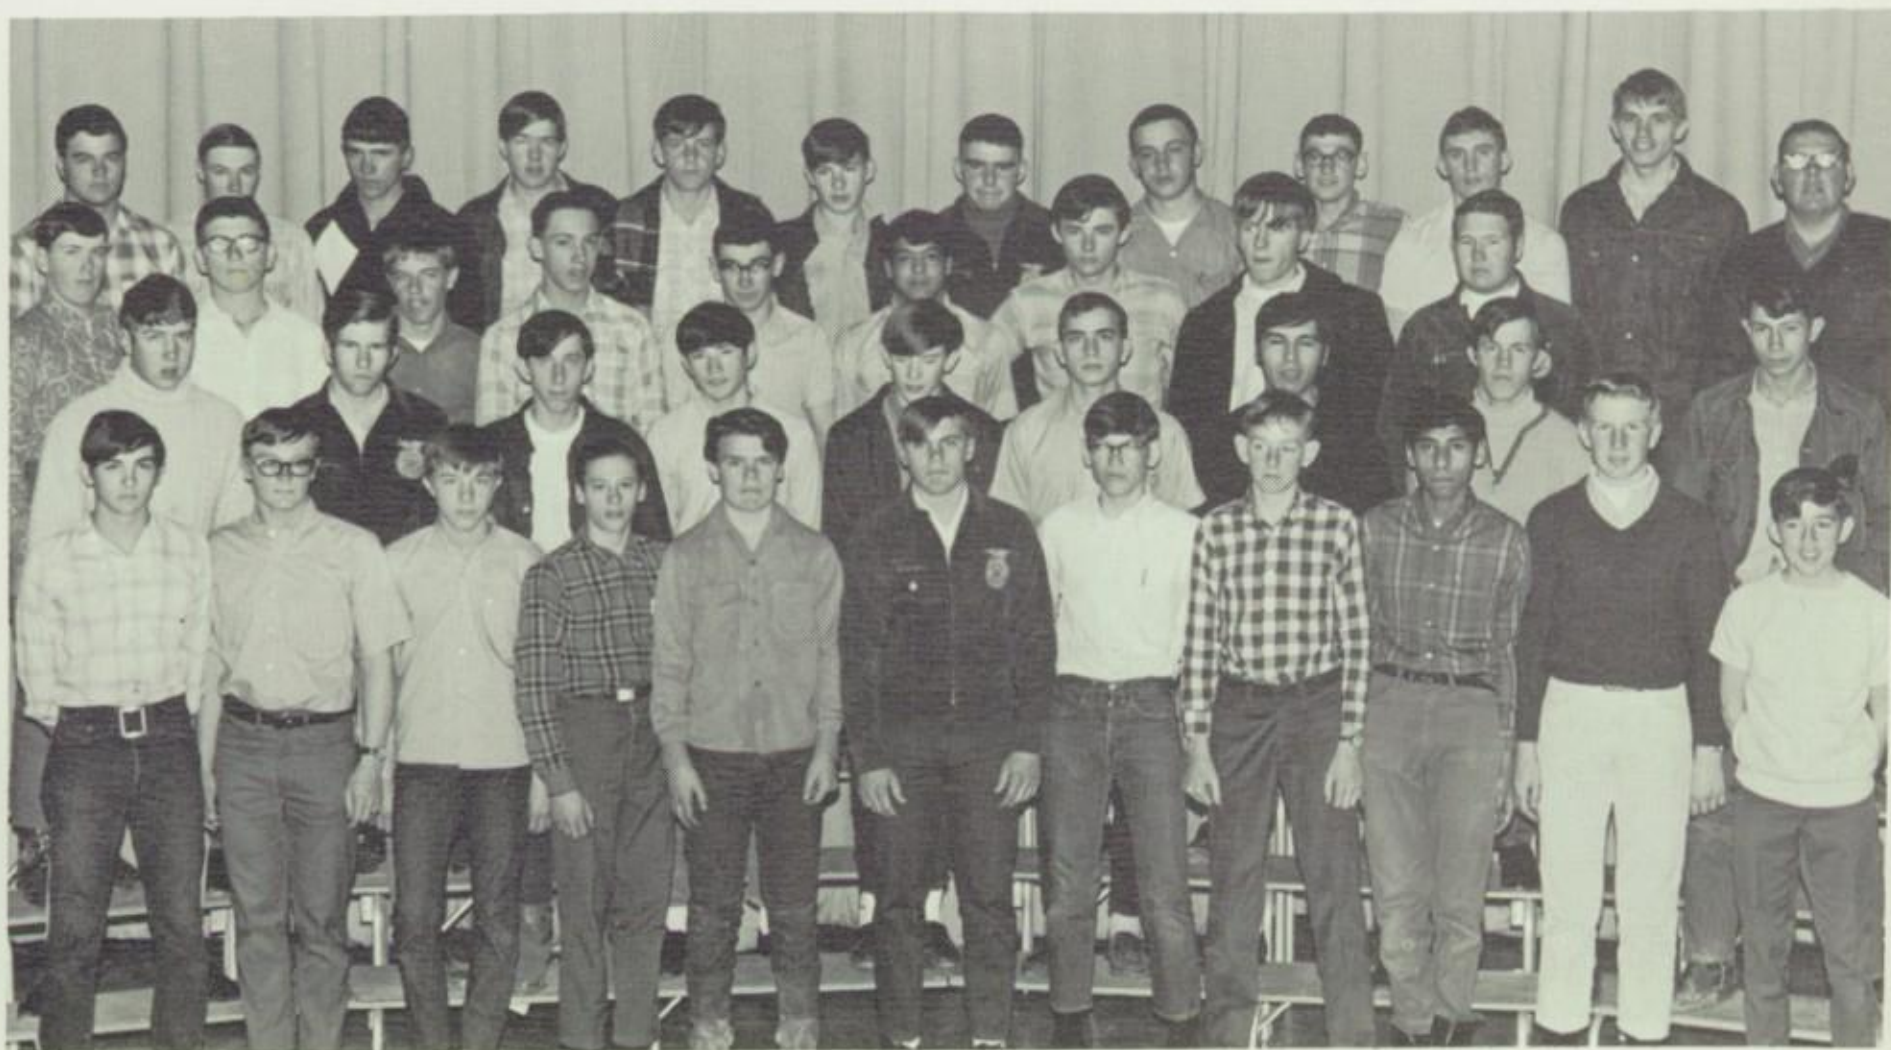

I believe in less dependence on begging and more power in bargaining; in the life of abundant and honest wealth to help make it so - for others as well as for myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to it's tradition in our national life and that I can except and influence in my home and community which will stand for my past in that inspiring task.

The Acropolites are a new addition to the Music Department of Delta High School. It is a swinging dance band type of organization which plays rock and roll in a moderate style. We hope the Music Department continues to grow with more groups of ambitious students such as these.

This year we are again happy to present the Dixie Band. This lively group has played faithfully at all the basketball games to boost our team's spirit. We of the annual staff think they deserve a special vote of thanks!

### *Band Award*

In recognition for outstanding achievement and interest in instrumental music, for singular merit in loyalty and cooperation, and for displaying, generally, those high qualities of conduct which school instrumental music strives to impart, and, by nomination of fellow band members and confirmation of band director and school officials. The John Philip Sousa Band Award was presented to Miss Barbara Tyner.

## *Director's Band Award*

The Director's Band Award is awarded each year to a person who did not receive the John Philip Sousa Award but was a nominee for that award. The award goes to that person who in every way lives up to the qualifications of the John Philip Sousa Award and is selected by the Band Director for his outstanding musicianship and leadership in Band.

This year's Director's Band Award was presented to Mr. Norman Smith and Miss Karen Walker.

## *... And We Remember*

Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go, yet turning stay.  
Remember me when no more, day by day,  
You tell me of our future that you planned;  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterward remember, do not grieve;  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.
